**Consider Portable:**  
 Our Portable decks have a rigid undercarrage that eliminate onsite stress of digging holes and hitting underground water and electric lines. Also it allows us to offer our decks to you with the Rent -To -Own plan for a more budget friendly option. Changing the size or upgrading to a different one is now an easy reality. It is also easy to intergrate a pavilion , pergola or lean-to roof on your deck as shown. Railing and stairway
